

Press Release

On Saturday 6th July 2013, DL Windows was proud to launch its new showroom on Malmesbury Road in Chippenham, Wiltshire. The fantastic weather and combined offer of a free BBQ certainly helped make the day a huge success, bringing in many new customers to see the range of windows, doors and conservatories on offer.

The Mayor of Chippenham, Sylvia Gibson, dropped by to visit the new showroom. "It was lovely to see the developments with this local company," she said. "I would definitely consider using DL Windows in the future when I need new windows".

Mrs Ponting from Chippenham was the proud winner of a £500 voucher to be used on any windows or doors and Susan Howell won a round of Golf for 4 people at Bowood Golf Club.

On Friday, Duncan Hames, MP for Chippenham, visited the showroom and met the staff. He said "It is so encouraging to see the development of local businesses that is able to provide new employment in these tough economic times. It's great to see DL Windows taking on two apprentices and providing two more young people with the training and support they need as they begin their working lives."

Why not come and see the new showroom for yourself? Come and browse the complete product range from high quality products for all budgets right up to the luxury brand 'Inspirational Living @ DL'. There is something for everyone, whatever your glazing needs!

"For us, it's about excellent customer service, fantastic products in all price ranges and meeting people who want advice on how to best improve their homes," said Managing Director, Malcolm Lyus.

"We wanted to do something extra for our existing and future customers. We wanted to add value to the experience and show that we understand how important it is to take time over deciding which products are right for your home. That's why we have really worked hard to create a welcoming environment at our showroom."

DL Windows is located at 127 Malmesbury Road, Chippenham in Wiltshire and the showroom is open Monday-Saturday 9am-5pm or by appointment.
